The Rockaway Artists Alliance, Inc. (RAA) was founded in 1994 and incorporated in 1995. RAA's arts facilities are located in the Rockaway Center for the Arts (RoCA), in Fort Tilden Gateway National Recreation Area, a seaside urban national park in Queens, New York.

The National Park Service / Gateway National Recreation Area formed a partnership with RAA that grants the art organization the use of two buildings for galleries, studio space and workshops. Allocation of the surrounding area permitted RAA to create a sculpture garden and an outdoor stage to present multimedia exhibitions and diverse cultural events.
