
Left Brain/Right Brain

Left Brain/Right Brain: The dynamic of logic and intuition, the interplay of reason and order versus passion and emotion, the sensual and the cerebral. This juried exhibition explores both our rational and structured endeavors (Right Brain) and our creative, emotionally informed pursuits (Left Brain) and also where these hemispheres cross and intersect. Media may include (but are not limited to) scientific drawing, painting, watercolor, photography, performance, sculpture, mixed media, film and more...
